

Don't get fined 290€

VSS, or “Variable Speed Stickers” (Klm) are mandatory in Europe

The 4 stickers **MUST** be displayed on both the back of the Truck cab and rear of the Trailer. This little-known regulation has been in place since 1976.

Rarely enforced in the past. Police are now much more vigilant on the correct signage for all Trucks & Trailers.

90 klms General Haulage Dual Carriageway
80 klms General Haulage Single Carriageway
70 Klms Abnormal Transport Dual Carriageway
60 Klms Abnormal Transport Single Carriageway

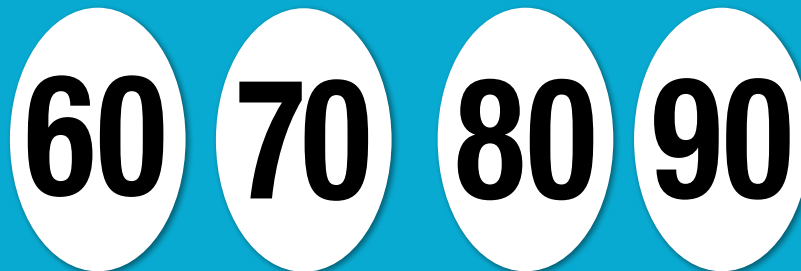

Failure to display, will result in a minimum fine of 90€.

BUT CAN BE AS HIGH AS 290€!!!

The quick, simple, one-off and inexpensive solution?

A pack of 8 weather-proof stickers, 2 of each speed.
